The Lane Group (TLG) is seeking a full time Civil Engineer for our office in Big Stone Gap, Virginia. At TLG we believe that all residents of our service area should have access to reliable and affordable infrastructure. We accomplish this by being innovators and problem solvers that think outside of the box when developing projects; by working with our clients, funding agencies and regulatory officials to secure the resources necessary for constructing projects, and; by employing knowledgeable, motivated and team oriented individuals. TLG is looking for applicants who share our vision and wish to join our team as we continue to improve the quality of life for the residents of our region. Applicants should hold a Professional Engineer (PE) License in the Commonwealth of Virginia or be able to acquire the license within six months of beginning employment.
